

BANJO SWIVEL ASSEMBLY

ZINC NICKEL BLACK

#		A	B	C	
S700	1/4 NPT Male	mm 12.19	mm 52.77	mm 45.25	bar 700

TECHNICAL DESCRIPTION

The Abdex 360° Swivel is designed for use when it is difficult to connect hoses to hydraulic tools. It enables full manoeuvrability in order that the hydraulic tool can be used in the smallest of spaces.

ADVANTAGES

- 360° Rotation
- Zinc nickel black - to avoid rust
- Hex bolt head for easy connection

MATERIAL

Steel, finished in zinc nickel black.
