

CLEAN MASTER PRESSURE WASHER

Hydraulic pressure washing applications

#	Ø		mm	Pressure		Pressure		mm
	inch	mm		bar	psi	bar	psi	
4CM4K	1/4	6	13.5	280	4,000	700	10,000	51
6CM3K	3/8	10	17.3	210	3,000	525	7,500	64
6CM6K	3/8	10	18.7	420	6,000	1,050	15,000	64

APPLICATIONS

Pressure washer hose that exceeds EN1829 standard. Available in non-marking blue with abrasion resistant cover.

FEATURES

- Supplied on reels in long lengths
- Cover is ozone and MSHA Flame Resistant

CONSTRUCTION

Core tube: Nitrile - Type C. Black
Pressure reinforcement: Braided, high-tensile steel wire.
Cover: Modified Nitrile - Type C2. Non-marking

TEMPERATURE RANGE

-40°C to 121°C.
