

INDUSTRIAL HOSE

OIL FUEL DELIVERY HEAVY DUTY

Product specifications

#									
	mm	inch	mm	bar	psi	bar	psi	mm	kg/m
ROFD-20-076	76.2	3"	94	20	290	80	1,160	450	2.65
ROFD-20-102	101.6	4"	124	20	290	80	1,160	600	3.65

APPLICATIONS

Mandrel built heavy duty fuel oil delivery hose suitable for diesel, fuel, oil, seawater, mud, base oils and general hydrocarbons based liquid delivery with aromatic content up to 50%.

Tensile breaking load:
2,000 kg for diameters up to 51 mm.
4,000 kg for diameters up to 76 mm.
7,000 kg for other diameters.

FEATURES

- 4:1 Safety Factor.

CONSTRUCTION

Core tube: Black smooth NBR rubber.
Pressure reinforcement: High tensile textile piles, a/s wires.
Cover: Black, smooth PVC/NBR rubber, weather, seawater, ozone, abrasion and hydrocarbons resistant. Fabric impression.

TEMPERATURE RANGE

-30°C to +90°C.
